

Sun Damage

# Sole Schermo 70

Sunscreen Cream SPF 70

# Sole Schermo 70

## Description

A defensive strategy against UV damage causing sun rash, dehydration or cellular ageing, which provides

high levels of protection over a lengthy duration, water resistance.

## Role of Sole Schermo 70 in Sun Damage

### Gamma Oryzanol

It has strong antioxidant properties, it prevents the damage by free radicals generated on the

phospholipid membrane that protects the skin from oxidative stress and photo-aging.

The  $\gamma$ -oryzanol is a natural sunscreen against UVA radiation.

### Vitamin E, C

They have moisturizing and anti-free radical properties, carry out an anti-inflammatory action,

reduce lipid peroxidation and defend the skin from ageing.

### UVA-UVB Sunscreen

Shielding action against the sun's rays; protect

against photo-induced damage.

### Shea Butter (karite' Butter)

Shea Butter is extracted from the nut of the *Butyrospermum parkii* tree that originates in Western Africa. It has been used on the skin since ancient times as a massage oil and hair emollient, to soothe wounds and protect from erythema's. Recent European studies have proven Shea butter's

effectiveness as a topical treatment, whose effectiveness is due to its high content of unsaponifiables. It is one of the most interesting vegetable lipids used in modern cosmetics. It is not only used in oils and creams for its pleasant applicability and good stability, but it also has

special effects on the skin, firming the skin, providing elasticity, fighting wrinkles and stretch marks, and protecting the skin from solar radiation with a soothing effect.

## Method of Use

Apply by smoothing a generous quantity of cream onto face and body at least half an hour before sun

exposure. Repeat frequently during the hours of exposure to the sun.

## Features

- Broad spectrum sunscreen against UV A and UV B
- Vitamin C & E enriched
- Waterproof sunscreen cream
- High stable cream in day time
- Well tolerated and physically accepted
- Suitable for all ages
- Easily absorbed
- Gamma Oryzanol protects the skin form oxidative stress
